Parker; third vice-president, Mrs. L. C. Bentley; secretary, Miss Della Thompson; treasurer, Mrs. Mary Freer; finance committee, Mrs. Nellie Bugbee, Mrs. Brush and Mrs. Emma Clark; press committee, Mrs. Inez Stewart.

Superintendents of departments also were chosen at this time as follows:

Fair and open air meetings, Mrs. Mary Watson.

Evangelistic and Sunday School, Mrs. J. R. King.

Health, medical, temperance and hereditary, Mrs. Ella Tillotson.

Flower mission, Mrs. Nellie Bugbee.

Scientific temperance instruction, Mrs. Sophia Goodlife.

Christian citizenship, Mrs. Emma Marvin.

Legislative, Mrs. T. J. Stewart.

Loyal Temperance Legion, Miss O. A. Thompson.

The various reports showed a meeting of the Union each month. One public evening meeting. The state convention was entertained last October.

Instructive programs were given at each meeting. Twice we have had outside speakers. One social meeting was held, with a picnic supper.

Flower mission day about 40 bouquets were carried with words of cheer to the sick and shut-ins of the village. This work is not confined to flower mission day, but is carried on all the year round.

Little Louise Rivera, our French orphan, has been made glad by our help for four years. She is now 13 years old and because of our help her widowed mother has been able to keep her in school most of the time.

Our membership last year, was 51. At the present time it is 57, a gain of six over last year.

Various means have been used to raise the money for the orphan fund and our quota of the state budget, voluntary contributions of \$1.00 are asked of each member for this fund. Some have responded. Album, quilt, food sale, etc., took care of the budget and other expenses, amounting in all to \$112. As we have only 10 cents of each 50 cents (a member's dues) we have to do some money-getting work.

Our Tent

For many years the Lamolite County W. C. T. U. has had a tent on the fair grounds during fair week, used as a rest room. Chairs and cots for the use of the public, and milk and water for the children. Mothers came here to rest and put small children to sleep. Mending supplies for the use of the ladies were on hand. Facilities for checking wraps and packages. This year we checked some 500 different wraps and packages. Often the cots are occupied by those who are ill. First aid is given and this year we had a trained nurse, Miss Alice Beecher, of Johnson in attendance. At the noon hour, Rev. W. T. Best came to the tent and we had a song and praise service, which is respectfully listened to by those in hearing. Our service to the public was free. Nothing but voluntary offerings were accepted. We are there to help in all ways we can. We feel sure many would not have attended the fair if our tent was not there, especially the old and mothers with children.

Mrs. Ida M. Wallace and Mrs. Marion Grout returned Friday night from Old Orchard, Me., where they have been employed through the summer. Mrs. Wallace will remain here for a week, after which she will go to Hartford, Conn., where she will make her home. Mrs. Grout will go to her position at Castleton after a week's stay with her sister, Mrs. D. N. Hutchins.
